your support makes a difference

Disability Alliance BC (DABC) was founded in 1977 so we're excited to celebrate 40 years in 2017—40 years of making a difference in the lives of thousands of people with disabilities. We're a provincial not-for-profit charity. We assist and represent people with all disabilities: physical, mental, cognitive, learning, sensory and invisible. The people we help live on very low incomes; many are homeless or at risk of being homeless. We hope you'll support our work and help make a difference!

our work

Our direct services, community partnerships, advocacy, research and publications positively impact people with disabilities on a daily basis. Here are just three examples of our recent achievements:

- **Advocacy Access** is our core program. Last year staff completed over 1,000 in-person case files, fielded over 9,600 phone calls and assisted hundreds more through province-wide workshops and community service agencies.
- **Tax Aid DABC** is a new program and in its first year helped over 300 clients file over 809 years of taxes. The positive result: these clients received tax credits and benefits worth a staggering cumulative total of \$545,00.
- **Emergency preparedness:** Over the next two years we'll work with two-dozen local authorities across BC to integrate the DABC-developed initiative *A Functional Needs Framework for Every Community*. This original program helps communities assess and include accessibility issues into their emergency preparedness.

Celebrate our 40th Anniversary at a Fall Fling!

Come and party with us on Wednesday October 4, 2017 at Vancouver's Italian Cultural Centre and celebrate DABC's 40th anniversary. Eat, drink and play our hilarious quiz game with CBC's Stephen Quinn and entertainer David C. Jones. Bid on our fabulous silent and live auction items (there's something for everyone), see old friends, and make new ones. We're really looking forward to seeing you at our Fall Fling 2017.
