

# THE RIGHT FIT PILOT PROJECT

## ELIGIBILITY CRITERIA

**The Right Fit Pilot Project participants must meet the following criteria:**

- Be power or manual indoor wheelchair users who need fully wheelchair-accessible housing (i.e. who use a wheelchair for in-home mobility);
- Live in Vancouver Coastal Health Region or Fraser Health Region and are seeking housing within Metro Vancouver

There are no age restrictions. You are not required to be approved for provincial PWD (Persons with Disabilities) benefits.

**NOTE:** You are not required to have a current application for wheelchair accessible subsidized housing with BC Housing; however, we **strongly encourage** you to consider doing so. You must meet BC Housing's income and eligibility criteria to qualify for subsidized housing. For more information: [www.bchousing.org/housing-assistance/rental-housing/subsidized-housing](http://www.bchousing.org/housing-assistance/rental-housing/subsidized-housing).

**For more information about the project or to apply, contact:**

Dalton Finlay, Project Manager and Navigator

The Right Fit Pilot Project is led by Disability Alliance BC in partnership with the Individualized Funding Resource Centre, BC Housing, City of Vancouver, Fraser Health Authority, Vancouver Coastal Health Authority, and Ministry of Social Development & Poverty Reduction. The project is generously funded by the Vancouver Foundation and the BC Rehab Foundation.
